

PARENTS ROLE

Parents Contributions can never be underestimated. In the triangle relationship between the teacher, the parents and the child, It is more important to have a bilateral understanding between the teacher and the parents.

Parents monitoring of their ward's performance can be done in the following manner.

Day to Day Monitoring

1. Regularity in the work.
2. Continuous feedback from the ward and the subject teachers. To monitor 3. Class/Home assignment To ensure a discipline routine at home Keep a check on Unit and term Tests.
4. Written revision at home on the same pattern. Motivate the child on daily basis
